

# **Try Again**

## **Aaliyah**

### **Timbaland's Intro:**

It's been a long time, we shouldn't have left you left you,  
without a dope beat to step to step to, step to, step to

### **First Verse:**

What would you do, to get to me?  
What would say, to have your way?  
Would you give up or try again,  
If I hesitate to let you in?  
Now would you be yourself, or play role?  
Tell all the boys, or keep it low?  
If I say no, would you turn away,  
Or play me off or would you stay (oooohhh)...

### **Chorus:**

If at first you don't succeed (first you don't succeed),  
then dust yourself off and try again  
You can dust it off and try again, try again  
'Cause if at first you don't succeed (at first you don't succeed)  
You can dust it off and try again, dust yourself off and try again, try again

### **Second Verse:**

I'm into you, you into me, but I can't let it go, so easily  
Not 'till I see, where this could be, could be eternally, or just week  
You know our chemistry, is off the chain  
It's perfect now, but will it change?  
This ain't a yes, this ain't a no  
Just do your thang, and we'll see how it goes (oooohhh)...

### **Chorus:**

If at first you don't succeed (first you don't succeed),  
then dust yourself off and try again  
You can dust it off and try again, try again'  
Cause if at first you don't succeed (at first you don't succeed)  
You can dust it off and try again, dust yourself off and try again, try again

**Bridge:**

See you don't wanna throw it all away,  
I might be shy on the first day,  
but what about the next day (huh, huh, huh, huh)  
See you don't wanna throw it all away,  
I might be buggin' on the first day but what about the next day (huh, huh, huh, huh)

**Chorus:**

If at first you don't succeed (first you don't succeed),  
then dust yourself off and try again  
You can dust it off and try again, try again'  
Cause if at first you don't succeed (at first you don't succeed)  
You can dust it off and try again, dust yourself off and try again, try again

**Timbaland's Outro:**

It's been a long time, we shouldn't have left you left you,  
without a dope beat to step to step to, step to, step to
